

Teachers' Training Programme

❖ Life Skills(Advance)

Teachers from Paradise International School participated in a training programme on “**Life Skills**” held on **26th August 2026** at City International School, Aundh. The programme was an enriching learning experience for all the participating teachers.

❖ Strengthening Assessment and Evaluation Practices

The Dwarka School, Chakan, organized a comprehensive teacher training programme on "**Strengthening Assessment and Evaluation Practices**" on **30th January 2026**. The workshop aimed to equip educators with modern methodologies to design effective, fair, and holistic evaluation systems aligned with contemporary educational standards. Our teachers actively participated in sessions focused on upgrading classroom evaluation methods.

❖ Stress Management

Our teaching faculty recently attended a productive two-day workshop on "**Stress Management**" hosted and conducted by Glory English Medium School, Koregaon Bhima. The training concluded on **14th February**, focusing on equipping educators with emotional resilience and practical tools to balance their professional and personal lives. The two-day session left our teachers feeling completely rejuvenated and motivated. They have returned to their classrooms with excellent mental health strategies to manage daily academic challenges with a positive mindset.

❖ Experiential Learning

With a focus on shifting classrooms from conventional teaching to "learning by doing," our school faculty participated in an enriching two-day training programme on "**Experiential Learning.**" The workshop was hosted at Dr. D.Y. Patil School, Pimpri, on **25th and 26th April.**
